CALIFORNIA, OFFICE OF

ORDER RE: SETTLEMENT
CONFERENCE

A Settlement Conference was scheduled to occur in this case on June 28, 2005. Prior to the Settlement Conference, the undersigned conferred privately (*seriatim*) with counsel for all parties. These discussions led the undersigned to conclude (with the concurrence of all parties) that, at this juncture in the case, there is no possibility that a Settlement Conference would be productive. Accordingly, I vacated the Settlement Conference.
